## Data Protection Policy

### 1. About this Policy

- 1.1 Pilkington Football Club, ("Club") ("we", "our", "us") handles personal data about current, former, and on occasion prospective players and their parents or guardians, employees, volunteers, board members, committee members, other Club members, referees, coaches, managers, contractors, third parties, suppliers, and any other individuals that we communicate with.
- 1.2 In your official capacity with the Club, you may process personal data on our behalf and we will process personal data about you. We recognise the need to treat all personal data in an appropriate and lawful manner, in accordance with the Data Protection Act 2018 and the EU General Data Protection Regulation 2016/679 ("GDPR").
- 1.3 Correct and lawful treatment of this data will maintain confidence in the Club, and protect the rights of players and any other individuals associated with the Club. This Data Protection Policy (this "Policy") sets out our data protection responsibilities and highlights the obligations of the Club, which means the obligations of our employees, board, committees, volunteers, members, and any other contractor or legal or natural individual or organisation acting for or on behalf of the Club.
- 1.4 You are obliged to comply with this Policy when processing personal data on behalf of the Club, and this Policy will help you to understand how to handle personal data.
- 1.5 The Club's board is responsible for ensuring compliance with this Policy. Any questions about this Policy or data protection concerns should be referred to the board.
- 1.6 We process employee, volunteer, member, referee, coach, manager, contractor, board, committee, supplier and third party personal data for administrative and Club management purposes. Our purpose for holding this personal data is to be able to contact relevant individuals on Club

business or administer the terms of your employment, and our legal basis for processing your personal data in this way is the contractual relationship we have with you. We will keep this data for 12 months after the end of your official relationship with the Club, unless required otherwise by law and / or regulatory requirements. If you do not provide your personal data for this purpose, you will not be able to carry out your role or the obligations of your contract with the Club.

- 1.7 Key definitions under the GDPR can be found in Appendix 1.

### 2. What we need from you

2.2.5 Please comply with our retention periods listed in our Privacy Policy and make sure that if you still have information which falls outside of those dates, that you delete/destroy it securely;

2.2.6 please treat all personal data as confidential. If it is stored in electronic format then please consider whether the documents themselves should be password protected or whether your personal computer is password protected and whether you can limit the number of people who have access to the information. Please also consider the security levels of any cloud storage provider (and see below). If it is stored in hard copy format then please make sure it is locked away safely and is not kept in a car overnight or disposed of in a public place;

2.2.7 if you are looking at using a new electronic system for the storage of information, please talk to a board member first so that we can decide whether such a system is appropriately secure and complies with the GDPR;

2.2.8 if you are planning on sharing personal data with anybody new or with a party outside the FA structure then please speak to a board member before doing so who will be able to check that the correct contractual provisions are in place and that we have a lawful basis to share the information;

2.2.9 if you receive a subject access request (or you think somebody is making a subject access request for access to the information we hold on them) then please tell a board member as soon as possible because we have strict timelines in which to comply;

2.2.10 If you think there has been a data breach (for example, you have lost personal data or a personal device which contains personal data or you have been informed

If you have any questions at any time then please just ask a board member. We are here to help.

- 6.5 Where consent is our legal basis for processing, we will need to keep records of when and how this consent was captured.
- 6.6 Our Privacy Policy sets out the lawful bases on which we process data of our players and members.

## 7. Notifying individuals

- 7.1 Where we collect personal data directly from individuals, we will inform them about:

  - 7.1.8 any automated decision-making processing of that data and whether the data may be used for any further processing, and what that further processing is.
- 7.2 If we receive personal data about an individual from other sources, we will provide the above information as soon as possible and let them know the source we received their personal data from;
- 7.3 We will also inform those whose personal data we process that we, the Club, are the data controller in regard to that data, and which individual(s) in the Club are responsible for data protection.
- ## 8. Adequate, relevant and non-excessive processing
- 8.1 We will only collect personal data that is required for the specific purpose notified to the individual.

13.1 We share personal data with the LCFA and The FA, and with applicable leagues using Whole Game System.

13.2 We may share personal data with third parties or suppliers for the services they provide, and instruct them to process our personal data on our behalf as data processors. ### 16. Dealing with subject access requests

16.1 Individuals may make a formal request for information we hold about them. Anyone who receives such a request should forward it to the board immediately, and where necessary escalated to the LCFA/ The FA for guidance.
